

PHYSICIAN ASSISTANT – MENTAL HEALTH

Central Phoenix / East Valley

We are Mental Health Center of America, a new multi-disciplinary practice helping patients navigate their mental health by using the most advanced therapies available. We are looking for a licensed prescriber to join our team. The ideal candidate will have a strong passion for helping patients and shaping the future of mental health.

What You'll Do

- Tend to the mental health needs of patients by diagnosing, creating medication treatment plans, and providing continuity of care.
- Work closely with a team of interdisciplinary mental health providers.
- Patients are primarily 13-60, but you may be asked to see children and adolescents.
- Work within our EHR system

What We are Looking For

- Clear passion for helping patients navigate their mental health
- Ability to work well with others
- Love to learn and innovate

Must Haves

- Valid and current unrestricted license, DEA license, NCCPA Certificate, and Fingerprint Card

Helps to Have

- Management experience within a clinical setting

Compensation and Benefits

- \$115-\$145k Depending upon certifications and experience
- Health/Dental/Vision coverage
- Flexible hours and case loads
- Relocation assistance
- Employee bonus program
